SMbluegrass.org

In 2017 the Association:

- Became a Michigan non-profit corporation and received a 501(c)(3) designation
- Sponsored Fiddlin' Dixie Lil' Friends children's workshops at four festivals
- Staffed informational tables at bluegrass events in our area
- The Association held successful jams at festivals
- We displayed our kid's petting zoo at festivals, allowing hands on interaction for adults and kids
- We held meetings or jams each month, engaging pickers and interested community members
- We expanded our calendar to inform the public about our events, and increased our Facebook posting, shares and followers
- We inducted fifteen members in our Hall of Honor
- Continued to document the history of bluegrass in our area and posted information on our website and Facebook page
- Printed and distributed four newsletters

In 2018 we will continue the above activities:

Our mission is clear: preserve the memory of the great past of bluegrass music in our area, and promote bluegrass events to our members and the public.
