Youth Music Scholarship 2022

Application Form

The mission for the Southeast Michigan Bluegrass Music Association (SMBMA) is to work together to preserve and promote bluegrass in Southeast Michigan. As a part of that endeavor, we would like to provide scholarships to youth in the area to further their interest and abilities as they learn to play bluegrass music.

SMBMA is taking applications for the scholarships from qualified and deserving youth ages 13-18. Awards will be made based on applications and interviews and must be used by the recipient toward payment for music instruction, either as in-person or online/video instruction. Payment will be made to the provider.
